

DEVELOPING A FRAMEWORK OR MODEL OF CHANGE

The screenshot shows a web browser window with the URL <http://ctb.ku.edu/en/4-developing-framework-or-model-change>. The page features the Community Tool Box logo at the top left, a search bar, and a language selector set to English. Below the logo is a navigation menu with five categories: 'LEARN A SKILL' (how-to information), 'HELP TAKING ACTION' (guidance for your work), 'CONNECT' (link with others), 'ABOUT' (the tool box), and 'SERVICES' (supporting collective impact). The main content area has a breadcrumb trail: Home > Learn A Skill > Toolkits > 4. Developing a Framework or Model of Change. The title '4. Developing a Framework or Model of Change' is centered. Below the title, a paragraph states: 'This toolkit helps in developing a picture of the pathway from activities to intended outcomes.' There are two tabs: 'Outline' (selected) and 'Examples'. Under the 'Outline' tab, the first section is '1. Describe the intended uses of your framework or model of change:', followed by three sub-points: 'a. To convey the purpose and direction of your initiative or effort (i.e., the outcomes sought and how you will get there)', 'b. To show how multiple factors interact to influence the problem or goal', and 'c. To identify actions and interventions more likely to lead to the desired result'. Below this list is a question: 'How will your organization or effort use its framework or model of change?'. On the right side of the page, there is a purple-bordered box with the text: 'HELP IMPROVE THE TOOL BOX. SHARE YOUR IDEAS IN THIS SURVEY.'
